“ I was so moved by your spam police action that I felt I must delay no further in letting you know how I feel about my IT service at the U.”

Reactions

“To all of you who administer, jump start and generally keep my systems alive and breathing for me ...”

Reactions

“My email ALWAYS works well, fast, smooth....

You could stop at that and I would be the richer for it, but no, you've gone farther ...

The authentication piece works great ... every... single time.

Now you are going to keep me from getting spam!?!

Geez, do you do catering too?”

Reactions

“You're beautiful and I love you man!”

- ◆ Summer 2004, the next directory server at Duke University will serve the e-mail routing service for the Health System and Campus. We believe this critical function should be properly named after Frank Grewe.

NOT Frank Grewe!

Sometimes Google is WRONG!

Frank Notables:

- ◆ \$8.50 per identity per month
- ◆ 3 passwords per ID to note security level
- he had the guts to try this!!!
- ◆ “Adding attributes to directories faster than thought”
- ◆ Self-Service Anti-Spam

Frank Grewe?

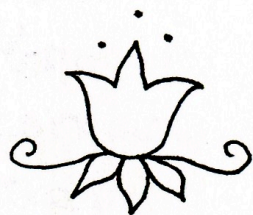

Dear Ucaid/ Common Solutions Group,

Thank you to everyone who wrote to us and shared their thoughts and memories of Frank. It does help to know there are so many who care.

We want to thank all the members of Ucaid/ Common Solutions Group for your most generous donation to Michael and Patrick's college tuition fund. It helps tremendously.

We feel very blessed to have so much kind support shown to us by so many of Frank's friends and co-workers.

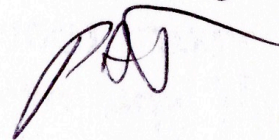

We do take your words to heart. Thank you again.

Thank you
for your
thoughtful ways
and
caring spirit

Very truly yours,

Sue Grewe
