

CSG Survey Glut?

*we are asking members to be sensitive to the
impact on us all of ill-considered surveying*

- * surveys should be sent to virtnet by the institution's "CIO-type person"
- * maximum of one survey per presentation
(for this, the presentation boss may survey)
- * replies should be sent to a designated recipient who commits
to reflecting summarized knowledge back to membership
- * when in doubt, check with Steering Committee
